Residential Winter Sewer Averaging

Each year the City of River Oaks averages the water consumption of the December, January, and February billing periods to recalculate sewer charges. These months are used because typically residents do not have a high outdoor water demand and are considered to be the lowest overall water use. The new winter sewer average goes into effect on the March billing and that will be the new monthly sewer charge for the next twelve months.

Holiday Closings

CITY HALL WILL BE CLOSED ON THURSDAY, NOVEMBER 24TH AND FRIDAY, NOVEMBER 25TH FOR THE THANKSGIVING HOLIDAYS. THERE WILL NOT BE GARBAGE COLLECTION ON THURSDAY, BUT THERE WILL BE REGULAR GARBAGE SERVICE ON FRIDAY, NOVEMBER 25TH. HAPPY THANKSGIVING!

November 18th

December 9th

December 16th

The Food Bank starts at 10am

Please arrive around 9am to line up.

5300 Blackstone Dr.

Fats oils and grease (FOG) come from meats, butters, lard, food scraps, sauces, dressings, dairy products and cooking oil.

When Fog goes down the drain, it hardens and causes sewer pipes to clog. This can lead to a sanitary sewer overflow where raw sewage actually backs up into your home, lawn and streets. It can lead to a nearby stream or river, which affects our drinking water.

Scrape food scraps, oil, grease and sauces from plates and utensils into the trash and dispose of them properly.

Don't pour oil or grease down the drain or garbage disposal.
