## New Drop Box

The City has had installed a new night drop mail box on the west side of the City Hall. It is seamless so the payments will no longer get stuck and there is no risk of someone pulling out your payment. Payments will slide down easier if the envelopes are not folded or bent. Please make sure the account number is on your check/money order. The old night drop box has been removed.

# Sewer Calculation

Residential Winter Sewer Averaging Each year the City of River Oaks averages the water consumption of the December, January, and February billing periods to recalculate sewer charges. These months are used because typically residents do not have a high outdoor water demand and are considered to be the lowest overall water use. The new winter sewer average goes into effect on the March billing and that will be the new monthly sewer charge for the next twelve months.
