

Do you feed community cats in  
your area? Want to learn  
more on how to prevent them  
from multiplying?

River Oaks is wanting to gather community input and volunteers to help humanely control the community cat population within the city. There will be a Q&A as well as an opportunity to speak one-on-one with experienced trappers on how this process will work. Demonstrations will also be held.

## Trap-Neuter- Vaccinate- Return (TNVR)
